

# High School I/O 2020 Code of Conduct & Waiver

Root Insurance – 03/28/2020

High School I/O is intended for collaboration and learning in the student community. We value the participation of each member of the student community and want all attendees to have an enjoyable and fulfilling experience. Accordingly, all attendees are expected to show respect and courtesy to other attendees throughout the hackathon.

To make clear what is expected, all attendees and speakers at this hackathon are required to conform to the following Code of Conduct. Organizers will enforce this code throughout the event.

- Harassment includes but is not limited to offensive verbal or written comments related to gender, age, sexual orientation, disability, physical appearance, body size, race, religion, sexual images in public spaces, deliberate intimidation, stalking, following, harassing photography or recording, sustained disruption of talks or other events, inappropriate physical contact, and unwelcome sexual attention. If what you're doing is making someone feel uncomfortable, that counts as harassment and is enough reason to stop.
- Participants asked to stop any harassing behavior are expected to comply immediately. If participants fail to comply they will be asked to leave the event.
- Be careful and mindful of the words that you choose. Remember that sexist, racist, and other exclusionary comments and hacks can be offensive to those around you.
- If a participant engages in behavior that violates this code of conduct, the hackathon organizers will take any action they deem appropriate, including warning the offender or expulsion from the hackathon

If you feel uncomfortable or think there may be a potential violation of the code of conduct, please report it immediately to one of the organizers.
